## Change the Future, Become a Monthly Donor

---

When Karin, a homeless teenaged mother, applied with the Cuenca Soup Kitchen, the food kits she received provided a life changing hand up.

Amidst the pandemic, the only job that allowed her to have little Valentina with her was selling plastic trash bags on the street. Selling 10 packages meant that they would have food and shelter for a night. It was a daunting daily struggle.

Receiving food kits from CSK meant Karin only had to sell five packages of trash bags each day and Karin began to dream about going back to school.

With the help of the social worker (provided by Hearts of Gold) who monitors

all of our recipients and their progress, Karin enrolled in school.

Karin's hard work is paying off and she is now preparing for final exams. She hopes to go to college in order to give Valentina a better future.

CSK will continue to invest in Karin and Valentina.

Like Karin, the families on our waiting list want to work for a better future. You can make that happen.

When you donate \$25 a month, you provide one of these families with a life changing food kit and a hand up to a better tomorrow.
